

## Commercial Proposal

### Corporate English Training for Your Business Growth!

We are an online Business English school, dedicated to helping your employees communicate confidently on an international level. We tailor our course program specifically to your business needs, ensuring seamless interaction with foreign clients without barriers.

### Why Choose Us?

- **Over 400 students have chosen us:** They improve their English skills, pass exams successfully, and defend international projects with confidence.
- **20 professionals have successfully passed interviews with foreign companies** thanks to our training.

We are a team of 18 experienced teachers with C1-C2 language proficiency levels, international experience, and specialization in corporate training. Our tutors know how to adapt lessons to meet your company's specific needs.

### Our Advantages:

- **Personalized Programs:**  
We create learning materials tailored specifically for your team. Your employees will learn only what's necessary to achieve real goals.
- **Fast Progress:**  
Achieve a new proficiency level in **4-6 months on average**. Accelerate your employees' growth **twice as fast** as standard courses.
- **Focus on Practice:**  
Only practical knowledge that helps your employees in real-world situations. We know how to engage adult learners and simplify complex topics.
- **Flexible Scheduling:**  
Online lessons at a convenient time for your employees so training doesn't disrupt their workflow.
- **Monitoring and Support:**  
Individual plans for each group and **regular assessments** to track progress.

*\*Payments in other currencies are possible.*

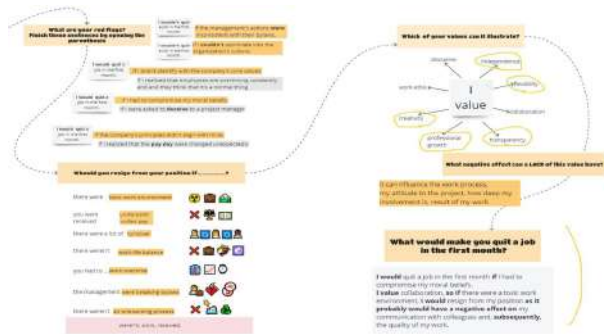

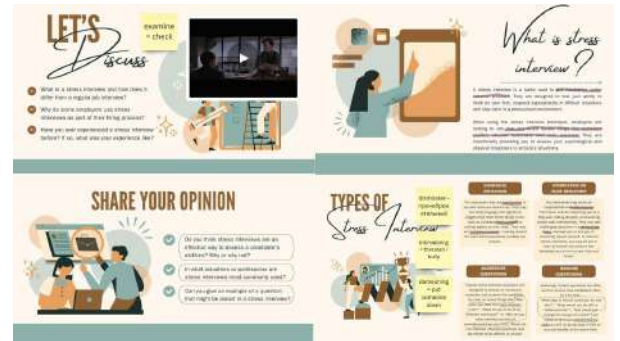

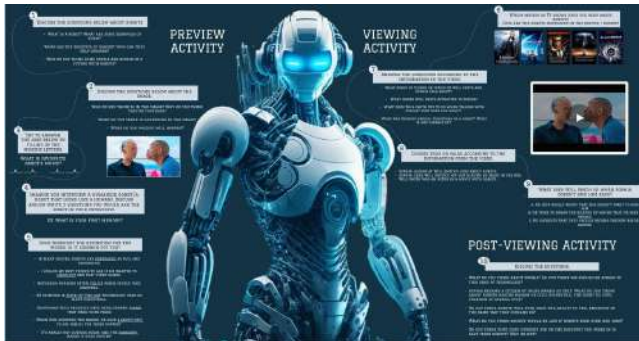

### Work Plan:

- 1. Free Consultation:** Tell us about your goals and objectives, and we'll offer a solution tailored to your company.
- 2. Course Test-Drive:** We'll conduct a free trial lesson for your team to assess the format and quality of training.
- 3. Employee Testing:** We'll evaluate language levels to form the most effective groups.
- 4. Program Launch:** Our teachers will start training, and you'll see the first results within weeks.

Lessons are conducted on **interactive platforms like Edvibe and Miro**, enabling engaging materials, organized storage of assignments, and easy access to previous topics.

For communication during lessons, we use **ZOOM, Google Meet, or Discord** (depending on your preference). For communication outside class hours, we use chat in any convenient **messenger**. Students can ask questions anytime, seek help, and submit assignments for review.
